

The Cornell Program for Healthy Living

This is a listing of Primary Care Physicians (PCP) who have elected to join the **Cornell Program**. You need to pick one of these physicians for your PCP. In addition, each family member you cover under this health insurance program must also pick a PCP from this list.

Please carefully type in the PCP's name and Aetna PCP Provider Number on the eOpen Enroll panel to continue registering for the **Cornell Program**.

If your dependent resides outside of the service area, you should indicate provider name as "None" and provider ID as 2222222 (seven 2s). This means your dependent receives the benefit of the Aetna PPO Health Plan but the enhanced wellness benefits will not be available. Please refer to the chart below, Out of Area Dependent.
