

The Cornell University Office of  
Workforce Diversity, Equity and Life Quality Invites You to...

## Staff Networking Opportunities

Your attendance is requested.

The Sharing Our World series is an opportunity for staff to come together to network with colleagues and allow new faculty and staff to make connections to the larger Cornell community. The setting is informal and we hope that professional and personal relationships are cultivated at these events. For questions or to RSVP, contact Maria Wolff, [mw284@cornell.edu](mailto:mw284@cornell.edu) or ext. 5-3224.
